Introductory Homework

1) Log into Canvas

2) On the "Home" page click "Settings"

3) Click "Edit" on the right side of the screen (look for the pencil icon)

4) Point to the picture (on your page there will be light-grey outline), click on the pencil icon.

5) Choose and upload your picture, click "Save"

6) You can add some information about yourself here, change password and your contact method.

Congratulations, you are done!
